

TO MEMBERS, FRIENDS & ASSOCIATES OF ASHLEY MUSIC SCHOOL

(newsletter updated 12/9/10)

- The new music format “the **music club**” takes place on Thursdays (variable weeks) at **7:30pm** (*duration: 1 hour*)
- The **music club** is for instrumentalists and singers and aims to help develop practical musicianship skills in an ensemble/group format whilst also at the same time being great fun. The **small participation fee of £4** helps us to run the group and provide the music for participants. This new format is neither a formal “music lesson” nor a “band/choir practice” as there are no performance/examination target dates associated with the activities and it is not intended as a replacement for specialised one to one tuition in specific instruments etc
- Anyone wishing to come as a new member of the music club please contact us in advance so that music can be prepared for you: musicclub@ashleymusic.co.uk or tel:01630/672546
- Band and choir practices are now up and running for the Autumn term 2010 please visit: <http://www.ashleymusic.co.uk/joingrouppage.html> for more information
- Concerts dates for the Autumn term will be announced on our news page <http://amsprojects.web-plus.net/news.html> in due course
